

Edge-to-Edge Warranty

The importance of a properly designed roof edge system should not be underestimated. On average, the roof edge typically represents only 1% of a building's overall cost. However, improper design and installation of the roof edge can have catastrophic consequences. As one of the most vital parts of a roofing system, it's imperative that coping and fascia are included in your roof system warranty – that is why Carlisle has created the new “Edge-to-Edge” Golden Seal Total System Warranty.

Including Edge Metal in the Edge-to-Edge Total Roof System Warranty

1

SECUREDGE PRE-ENGINEERED EDGE METAL

UP TO 30 YEAR / 120 MPH WARRANTY COVERAGE

Carlisle's SecurEdge perimeter roof edge systems are the first line of defense against wind, ensuring a polished perimeter and long-lasting protection. Carlisle's unmatched line of roof edge products are available in a range of materials, profiles, and color options to meet any project's needs.

Advantages of SecurEdge Fascia & Coping Systems

- » All systems are factory-fabricated and ANSI/SPRI ES-1 tested to meet International Building Code requirements, and many are FM approved.
- » Boosts productivity by allowing contractors to spend less time fabricating and more time on the roof, completing jobs.
- » Engineered cleats with pre-punched fastening slots facilitate quick, easy, and precise installation.
- » Can be warranted up to 30 years under Carlisle's Golden Seal Total Roofing System Warranty.
- » Finish warranties up to 35 years are available for Kynar® 500 and Hylar® 5000 PVDF finishes.
- » Available in over 30 standard colors; custom finishes and colors are available upon request

2

SHOP-FABRICATED EDGE METAL

UP TO 20 YEAR / 80 MPH WARRANTY COVERAGE

Carlisle's Metal Flat Sheet Program offers authorized applicators the opportunity to include shop-fabricated edge metal in Edge-to-Edge Total System Warranties when purchased through the channels listed below. All shop-fabricated fascia and/or coping must comply with Carlisle's published specifications and details. Refer to the Edge Metal section of the Carlisle Specification Supplement (G-11-18).

Carlisle Flat Sheets

Authorized applicators can shop-fabricate Carlisle SynTec flat sheets and submit for Edge-to-Edge Warranty inclusion.

Drexel/Petersen Flat Sheets

Applicators can use Drexel or Petersen-branded flat sheets to fabricate an edge metal system for warranty inclusion for an upcharge of \$0.01/ square foot of the warranted square footage of the roof system.

Shop Fabricated vs. SecurEdge
