

Re: M-1 Sealant

To Whom It May Concern:

Although Carlisle will assume no responsibility for the performance of the adhesion between materials, M-1 Sealant will have negligible effect to our EPDM, TPO or PVC membranes.

If you have any questions or need any additional information, feel free to contact our office.

Sincerely,

A handwritten signature in black ink, appearing to read "Kenneth Gingerich". The signature is written in a cursive style with a large, stylized "K" and "G".
