

CARLISLE'S AUTHORIZED APPLICATORS MARKETING ANNOUNCEMENT

EPDM-2013-16

Sure-Tite Product Discontinuation
October 30, 2013

To: Carlisle SynTec Systems' Authorized Applicators

Carlisle SynTec Systems has been notified that the manufacturer of Sure-Tite® Fasteners and Sure-Tite Metal Fastening Bar has discontinued these products. As a result, Carlisle will no longer offer these items once its current inventory is depleted.

Below is the list of discontinued Sure-Tite products:

303190	2" Sure-Tite Fastener
303191	3" Sure-Tite Fastener
303192	4" Sure-Tite Fastener
303193	5" Sure-Tite Fastener
303194	6" Sure-Tite Fastener
303195	7" Sure-Tite Fastener
303196	8" Sure-Tite Fastener
303197	Sure-Tite Metal Fastening Bar

As an alternative to the discontinued products, Carlisle recommends using HP Fasteners in conjunction with:

300601	2" Polymer Seam Plates
310384	2 ³ / ₈ " HP-Xtra Polymer Seam Plates
309632	Sure-Seal® Polymer Fastening Bar 1"x250'
300876	Sure-Seal Metal Fastening Bar 1"x10'

If you have any questions regarding this change in product offering, please contact your local manufacturer's representative or distributor.

Sincerely,

Eric Pushart
EPDM Marketing Specialist
