

CARLISLE'S AUTHORIZED APPLICATORS MARKETING ANNOUNCEMENT

EPDM-2015-01
EPDM Warranty Upgrades
January 29, 2015

To: Carlisle SynTec Systems' Authorized Applicators

Carlisle SynTec Systems is pleased to announce upgrades to its warranty offerings for EPDM roof systems. The decision to offer these upgrades was based on Carlisle's 50+ years of experience in manufacturing and warranting EPDM roofs, as well as EPDM's proven history of dependable, long-term performance and resistance to UV and weathering.

In addition to offering a new ELITE 40-year, non-prorated membrane warranty on premium 90-mil Sure-Seal® EPDM, Carlisle is increasing the terms available on the following Golden Seal™ Total Roofing System Warranties:

- 1) Adhered EPDM systems:
 - a. 60-mil Sure-Seal and Sure-White® EPDM are eligible for up to a 25-year warranty when combined with the 25/30 year details.
 - b. 75-mil Sure-Tough™ Reinforced EPDM is eligible for up to a 30-year warranty when combined with the 30 year details.
- 2) Mechanically fastened systems using Sure-Tough Reinforced EPDM:
 - a. 75-mil Sure-Tough EPDM is eligible for up to a 30-year warranty when combined with the 30 year details.
- 3) Ballasted EPDM systems:
 - a. 45-mil Sure-Seal EPDM with 6" SecurTAPE™ is eligible for a 20-year warranty.
 - b. 60-mil Sure-Seal EPDM with 6" SecurTAPE is eligible for a 25-year warranty when combined with the 25/30 year details.
 - c. 90-mil Sure-Seal EPDM with 6" SecurTAPE is eligible for a 30-year warranty when combined with the 30 year details.
- 4) Limited accidental puncture coverage:
 - a. 100-mil FleeceBACK® EPDM — 8 man hours per year.
 - b. 90-mil FleeceBACK EPDM AFX — 8 man hours per year.
- 5) Limited hail resistance coverage:
 - a. Ballasted 45-mil Sure-Seal EPDM is eligible for 1" hail.
 - b. Ballasted 60-mil Sure-Seal EPDM is eligible for 2" hail.
 - c. Ballasted 90-mil Sure-Seal EPDM is eligible for 3" hail.
 - d. Adhered 60-mil Sure-Seal, Sure-Tough, and Sure-White EPDM are eligible for 1" hail when the top board is set in FAST™ Adhesive.
 - e. Adhered 75-mil Sure-Tough EPDM is eligible for 2" hail when the top board is set in FAST Adhesive.

If you have any questions, or for more information, please contact your local manufacturer's representative or distributor.

Sincerely,

Ronald L. Goodman
Marketing Manager, EPDM Roofing Systems
