

# CARLISLE'S AUTHORIZED APPLICATORS MARKETING ANNOUNCEMENT

**ID-2016-09**  
**Inspection Checklists**  
**July 21, 2016**

**To: Carlisle SynTec Systems' Authorized Applicators**

Carlisle SynTec Systems is pleased to announce that inspection checklists for [EPDM](#), [TPO](#), and [PVC](#) roof systems are now available for download on the [Carlisle website](#). Waterproof versions of these checklists, ideal for use on the jobsite, can be ordered using Carlisle's [online literature and sample order form](#). Please note that you must be logged in to the website to access the order form.

These one-page, foldable checklists are designed to help applicators better understand Carlisle's requirements for the final roof inspection. Each checklist includes system-specific details, enabling applicators to quality-check their own work, as well as installation requirements and recommendations from Carlisle.

If you have any questions, please contact me at [Mike.McGann@CarlisleSynTec.com](mailto:Mike.McGann@CarlisleSynTec.com).

Sincerely,

Michael McGann
