Global Audience to Attend Sustainable Roofing and Waterproofing Alliance Fall Conference

(Carlisle, Pa.) – October 17, 2016 – The Sustainable Roofing and Waterproofing Alliance (SRWA) will host its eighth annual Fall Conference from October 25-28, 2016, in Hershey, Pennsylvania. Featuring in-depth educational sessions and hands-on demonstrations designed to promote sustainable building practices, the SRWA Fall Conference will bring together a global audience of architects, design professionals, roof consultants, and building owners.

The 2016 SRWA Fall Conference will draw more than 400 attendees. The international audience will include guests from 25 countries, including Argentina, Austria, Belgium, Brazil, Chile, China, Colombia, Costa Rica, Curaçao, Germany, Japan, Lebanon, Mexico, Panama, Puerto Rico, Qatar, Russian Federation, Saudi Arabia, Slovakia, South Africa, South Korea, Trinidad and Tobago, United Arab Emirates, and the United Kingdom. Individuals from 31 U.S. states will also be in attendance.

The event will feature highly respected speakers from the architectural and design communities, including:

- Marshall Strabala, STRABALA+, Chicago, Illinois
- Colin Murphy, Trinity/ERD, Seattle, Washington
- Darbi Krumpos, Trinity/ERD, Seattle, Washington
- Larry Harmon, Air Barrier Solutions, Inc., Crown Point, New York
- Keith Roberts, Roberts Consulting, Abingdon, England
- Douglas Stieve, Wiss, Janney, Elstner Associates, Inc., New York, New York
- Thomas W. Hutchinson, Hutchinson Design Group, Ltd., Barrington, Illinois

The SRWA will also present some of its distinguished guests with awards recognizing their valuable contributions to the roofing and waterproofing industries.

About the Sustainable Roofing and Waterproofing Alliance

The SRWA partners the unmatched roofing and waterproofing capabilities of Carlisle Construction Materials with consultants who are committed to advocating for the highest-performance and most sustainable roofing and waterproofing systems. The SRWA's focus extends far beyond materials and systems, striving instead to provide services and solutions throughout the entire roofing and waterproofing process, from specification and design to installation and maintenance. SRWA affiliates have access to premier training and sophisticated tools used for energy-efficient design, forensic analysis, testing, and installation. For more information, visit srwaglobal.com.
